FEATURES

12

E-assessment

Technology can assess pupils to identify where they are going wrong, put them in the right direction or send them along a different route. How does it work in practice?

14

A day in the life

Assessment is built into every hour at work for teacher and special educational needs co-ordinator Jenny Dockerty

18

Full marks for feedback

Professor Paul Black of King's College London outlines the commitment and expertise required if classroom assessment is to make a tangible difference to pupils' performance
